

POST CARD

Mr. Isaac L. Nelson
Rockville
Indiana

12/8/42

Dear mother,

I write severely cards.

I got a card from my grand
mother yesterday. The ground
is covered with snow. It
is beautiful. Many boys
would like to play in the
snow but Mr. Roney will
not let them. He is afraid
we will get sick. I can
hardly wait to get home
for Christmas. I would
need money which is
five dollars because I
want you, will be
surprise. I hope so.
Thank you.

Love

Ray
